*But, you will ask, is it worth while expending so much labour simply in order to decipher what, as I say, is a number of errors, falsehoods and fantasies? I answer: Yes, it is!*  
Professor Mmaa in *Professor Mmaa's Lecture* p. 117.

*I look with pleasure on my book, however defective, and deliver it to the world with the spirit of a man that has endeavoured well. That it will immediately become popular I have not promised to myself: a few wild blunders, and risible absurdities, from which no work of such multiplicity was ever free, may for a time furnish folly with laughter, and harden ignorance in contempt;*

*In this work, when it shall be found that much is omitted, let it not be forgotten that much likewise is performed;*  
Samuel Johnson in *A Dictionary of the English Language*, Preface (London, 1755).

In the list below, corrections and additions are listed for the book:

*Stefan Themerson Selected Prose*. Annotated by Nicolaas J.I. Mars. Centennial Edition. Expressis Verbis, Marum, 2010. ISBN 978-90-70648-05-3.

I will be grateful if any remaining errors and omissions are brought to my attention. In reporting an error, please indicate the number of the page and of the note in question, or the page where you think a note is missing, a reference to the source of your comment, and whether you would like me to mention your name in the list below. Please send your remarks by e-mail to N.J.I. Mars ([n.j.i.mars@alumnus.utwente.nl](mailto:n.j.i.mars@alumnus.utwente.nl)).

Thank you for your help in improving *Stefan Themerson Selected Prose*.

In the list of errata below, the remarks are ordered by page number. The page numbers for additions to the notes are in **green**, for corrections to the notes in **blue** and for corrections to the reading text of *Stefan Themerson* in **red**. *Line* has been abbreviated as *l.*, and *note* as *n.* The titles of the eight books I annotated have been abbreviated as follows:
